My name is Alejandro Martinez. [SEP]

I am a resident of District 1. [SEP]

My community consists of hard working 1st and 2nd immigrant and refugee working class families. [SEP]

More broadly, my community is really all of South County - from Barrio Logan to the border. [SEP]

I hope this commission draws a South County Border District that upholds the Voting Rights Act and includes all of San Diego's border communities from San Ysidro all across the international border. [SEP]

A district along the border would give voice to so many of our South County residents with family and jobs on both sides of the border. [SEP]

A district along the border would help ensure the cross-border priorities that matter greatly to all of South County are truly heard by the Board of Supervisors - the Tijuana River sewage crisis, pollution and gridlock at the Ports of Entry, compassionate immigration policies that embrace San Diego's diversity and immigrant roots. [SEP]

A district along the border would help improve cross border economic and cultural connections at the heart of our cross-border region's prosperity and diversity.

Working class families deserve a unified voice. [SEP]
