eComment :

Please maintain the integrity of the the North County and East County Supervisor Districts (2 and 5). These areas are the majority of the rural areas of San Diego County, share a great deal of resources, such as contract Sheriff service for Cities and are continually being underrepresented for services by the more "urban" based districts. The Supervisors act as our "city council" for the unincorporated areas and they need to be responsive to the needs of the "backcountry".
