Please keep District 1 united. I am a resident and home owner in University City. I have children who attend the local elementary school (Spreckels Elementary). I am an elected UC Planning Group board member. I am also an assistant professor at UC San Diego (UCSD) in the School of Public Health and I want to preserve our District, as it is very intertwined. I have many colleagues at UCSD that live in University City, raise their families here, and are involved in the communities of UC and UCSD. Please keep district 1 United.
