My name is Sara Kennedy. I live in San Diego, and I work in Point Loma. I am writing to urge this commission to draw a South County Border District that upholds the Voting Rights Act. A district along the border would give voice to many of our South County residents with family and jobs on both sides of the border, and would allow for representation of the unique needs of this district - for example, the Tijuana river sewage crisis, gridlock at the ports of entry, and compassionate immigration policies that impact so many in this region. One of the biggest obstacles to representation is being in the same district as Point Loma and Coronado. Working families in South County deserve a strong equal voice, without being drowned out by wealthier, more privileged areas. It is time for a more equitable district to be drawn.
