Hi my name is Aleena Jun Nawabi and I am representative of Council on American-Islamic Relations (CAIR)

No region of San Diego County has changed more than North County communities west of 15 and we're facing new, tough challenges too.

-Big, rapid growth in suburban North County - Vista and San Marcos

-Traffic and transit along the 5 and 78 and how we build a 21st century transportation network to serve our families and businesses' needs

-The decommissioning of San Onofre and what it means for our family's safety

-Coastal erosion and what it means for our beaches, the coastal rail line, our way of life
