My name is Keara Pina. I am a resident of Encinitas. I support that district 3 will be a Coastal Corridor with Encinitas, Solana Beach, Del Mar, La Jolla South to Point Loma. This district 3 should become a North South orientation rather than West to East. A North South orientation better reflects our natural community of common interest of suburban coastal residents that share a sense of responsibility towards our coastline, ocean, healthcare workers and social justice. Encinitas, Solana Beach, Del Mar south to Point Loma residents love the beauty, exercise and recreational opportunities provided by our coastline and ocean. As stewards of the coastline our combined political voices have worked hard to successfully obtain federal and county resources to manage bluff erosion and sewage runoff. Encinitas and Solana Beach share guardianship of the San Elijo Lagoon habitat and trail that connects our cities. Encinitas, Solana Beach and Del Mar are connected by our coastal rail trail which offers a gorgeous 9.6 miles to walk and bike through these sister cities.
