Hello Commissioners,

I'm a resident of Carlsbad and want our city to remain in District 5. We have ties with San Marcos, Vista, Oceanside and
Escondido that have strengthened over the years. There are many issues and interests shared by our neighbors including
McClennon-Palomar Airport. These communities are joined together by this constant threat to the environment by
noise, traffic and emission particles. We've had to fight to be heard by the County on our concerns. Many have attended
the Palomar Airport Advisory Committee only to be dismissed and ignored. We and our neighbors stand united in
District 5 and do not want these boundaries changed.

Sincerely,
Nancy Hacker
