I'm writing to the committee to let you know my thoughts concerning the redistricting of our area. I live in North East Escondido, and have been an Escondido resident for 32 years. I'm a retired police lieutenant, and I believe our district should be redrawn to partner with the communities of Carlsbad, Oceanside, Vista and San Marcos. I know that the Police Chief's and the Sheriff's Administration of the contract Cities in those North County areas have worked together for years since our safety concerns along the 78 corridor are the same. We have much more in common with those areas than we do with Ramona, El Cajon, etc.

As a retired person, we do our shopping and recreation largely in the 78 corridor. Our health care options are in Escondido, San Marcos and Vista. I believe a representative of the County Board of Supervisor's would better serve the interests and needs of a more cohesive group, rather than the way the district is right now. The needs of folks in the east county communities are different than in the described area of responsibility, and are different than the current make up of Escondido's District.

Thank you for your hard work and consideration.
