We, as over 40 year residents of North County, now residing in San Marcos, support that District 5 will unite Oceanside, Carlsbad, San Marcos, Vista, and Escondido along the 78 corridor. It never made sense to carve Escondido out of the district. Greg is retired from the Oceanside school system. Chris retired after many years as a family therapist in North County. These five communities share many of the same economic systems including transportation, schools, jobs, healthcare, social services programs, and housing. We have the same concerns for our environmental impacts such as: the San Onofre waste disposal; climate change, including water needs and fire risk; urban growth and our lack of good jobs, affordable housing, and access to mass transit. As retired seniors who have lived and worked in North County for many years, we feel the 78 corridor cities can most effectively work together on these many issues that our communities share.

Respectfully submitted, Christine and Gregory Armstrong, San Marcos
