Hello,

My name is Kathryn Carbone, I have lived in Fallbrook since 2012. I request that Fallbrook stay in District 5.

Fallbrook is a smaller village bordering on Oceanside and Bonsall, and those unfamiliar with the area should know that it is a close community to Oceanside for the purposes of shopping and entertainment. I lived in Oceanside as well from 2003 to 2012 and today I remain very active in both communities.

Fallbrook has a false reputation for housing extreme right-wing ideologies, however in my work as a community activist in local politics in both Fallbrook and Oceanside, I have found that the split between conservative and liberal here in Fallbrook is right around 50/50.

I also owned a retail store in Bonsall from 2012 to 2017, and was Honorary Mayor of Bonsall from 2014 to 2016. I know and am active in this community.

Fallbrook and Bonsall are 100% more connected to Oceanside than to say, to Temecula or to Escondido.

I know that you are outwardly not supposed to be "partisan" however I also know that the preferences of individual commissioners is going to seep in to this process. It's ok, it's normal.

Just in case you were thinking that you should eliminate Fallbrook from District 5 simply because the KKK had a headquarters here in the 70s, I urge you to update your thinking. We have a strong liberal base here with seasoned volunteers in both the Fallbrook Democratic Club (club of the year 2019) as well as Indivisible Fallbrook (instrumental in moving the needle for Ammar Campa).

Please keep us in District 5.

Thank you
Kathryn Carbone
