Honorable Commissioners,

I am a resident of Carlsbad and I am requesting the commission to putting Carlsbad into Board of Supervisor District 5.

I believe that there are a number of communities of interest that unite North County Cities of Carlsbad, Escondido, Oceanside, San Marcos, and Vista. I am a Senior and Seniors represent a significant community of interest in terms of Public Transportation, Health Care and Healthcare access, brick and mortar commerce, commercial services like home improvement, entertainment and recreation and many others. We also share in the effects of climate change and more local environmental issues.

We also share the challenges of larger cities along the 78 Corridor - including homelessness and law enforcement.

Please consider keeping our city and communities together in the same Board of Supervisor district.

Regards,

William Fowler
