Hello,

I would like to submit comment to the County of San Diego Independent Redistricting Commission. I live in North County and strongly believe that ALL of North County should be represented by ONE County Supervisor. The coastal, rural and urban North County areas are interconnected with infrastructure (North County transit; Highways 76 and 78) and institutions (government agencies, youth sports leagues and other social and cultural organizations). This applies to both North County cities AND the unincorporated parts of North County. North County's united interests have developed over decades, and are separate and distinct from the City of San Diego and the southern parts of our County.

Thank you,
Lori Goulet
