My name is Joe Houde. I live in Vista and work in Escondido and San Marcos and have weekly social engagements in Vista, Oceanside and Carlsbad. Most of my work and social life, and that of my friends, revolves around the 78 corridor. I support District 5 uniting Oceanside, San Marcos, Vista, Carlsbad, and Escondido along the 78 corridor.

For years, County politicians mashed together coastal North County with rural East County into a district that didn't truly serve either community's needs. This independent commission can fix that by drawing district lines that finally serve the people, not the politicians.

- Give our community the power to have our voices heard and our interests championed.
- o The needs of Carlsbad and Valley Center couldn't be more different.
- o What matters most in Vista isn't what the Borrego Valley needs
- o Expanding the Palomar Airport may make sense in Pala, but it's not what our Carlsbad neighbors are looking for
- We share concerns about decommissioning San Onofre and what it means for our family's safety
- The 78 corridor cities are all adjacent to Camp Pendleton & home for many veterans who share common interests. In fact, some active-duty service members stationed at Camp Pendleton live in my apartment complex.
- The 78 corridor cities should stay together in District 5.

Thank you!
