My name is Cindy and I have been a resident of Lemon Grove for 3 years. Our community has shared languages, cultural practices, food, and common goals for our children and families. We are immigrants, refugees, or children of immigrants refugees. Southeast San Diego is mainly comprised of renters, English language learners, and large families, and many prioritize affordable housing/English as Second Language services/public transportation/education access (pick a couple and include your own community characteristics). I define my community in Southeast San Diego by these general boundaries: La Mesa to the north, Interstate 805 to the west, CA-54 to the south, and CA-125 to the east. Some community landmarks are as follows (pick a couple or include your own): The corner of Imperial and Euclid Avenue, Tubman Chavez Community Center, Lincoln High School, Morse High School, Malcolm X Library, O'Farrell Park, Skyline Library, Martin Luther King Park, MTS Trolley Center on Market Street, Paradise Valley Hospital, etc.

I am writing to you today to emphasize the importance of keeping Southeast San Diego united in one district, as well as including San Diego refugee communities together in a single Supervisorial district. As a newcomer community, the majority of us speak a primary language other than English at home, and are limited English proficient. Southeast San Diego has historically seen high numbers of refugee resettlement, relying on strong community networks for mutual aid and support. I see myself in community with City Heights, La Mesa, La Presa, Rancho San Diego, El Cajon, Granite Hills, Bostonia, Spring Valley, and Encanto/Skyline/ Paradise Hills/Lemon Grove (exclude the city you live in). Southeast San Diego must be united in a single District and share the same district with other refugee communities throughout the county to ensure that our shared needs as BIPOC refugees and immigrants, such as affordable housing, equitable transportation access, and English Language Services, are adequately addressed by the San Diego County Board of Supervisors.

Sincerely,
Cindy
