There is NO need for redistricting!

North County is a "Community of interest" meaning it shares many common North County institutions such as government agencies, health care entities, youth sports leagues and social & cultural institutions. They are distinct from the City of San Diego and other places in the county.

North County has a distinct and separate identity that has developed over many decades.

The coastal, urban and rural areas are interconnected by transportation (like North County Transit and Highways 78 & 76), health care providers and employers.

The cities AND the unincorporated areas are BOTH essential parts of the North County identity.

Please leave North County ALONE. They have worked very diligently to create their own successful and thriving community over the years.

IF IT AIN'T BROKE, DON'T FIX IT!!!
