My name is Jessica Ramírez and I am a resident of Escondido. Although I grew up and live in the City of Escondido, my family is and has always been located along the 78 and 76-corridor. I grew up visiting my grandmother in the City of San Marcos, my aunts and uncles in Vista and Oceanside, and most-recently my nieces and nephews in Fallbrook. Although we live in different cities, together, we are all one family that is part of one community that works, shops, and attends school across the 78 and 76-corridor. My story is only one of many families along the 78 and 76-corridor where Latino families are concentrated. It is important to keep our families and community together within this redistricting process. Thank you.
