'Divide and conquer' is the ancient tactic of choice for bureaucrats, politicians and their minions, such as the 'Independent' Redistricting Commission' in California--another un-elected, unchecked body beholden to deep pockets, not The People. North San Diego must remain united to retain our culture and REPRESENTATION. Our elections haven't been free & fair for many years. Do the right thing and allow our community it's constitutional rights to autonomy and SELF-governance, not gerrymandering for the uni-party's, NWO corporatocracy!
