My name is John Loughlin and I am a resident of Mt Helix, and work in Mira Mesa.

- I urge you to draw a district that will include La Mesa, El Cajon, Rancho San Diego, Spring Valley, Skyline, Bay Terraces, Paradise Hills, Valencia Park, and City Heights to empower the Black community in SouthEast San Diego
- All over the country, we're seeing efforts to divide communities and suppress the votes
- For San Diego's Black communities, redistricting is critical to ensuring their voice in local government
- Please, unite our historically Black and emerging Black communities in one district so they can elect representatives who fight for all of us
- And please keep us in a district with similar communities - diverse areas, urban neighborhoods, people of color - so their voices aren't drowned out
- It's about a fair share of community resources, economic equity for jobs and small business, better schools for all children, and fair policing that keeps all families truly safe
