Dear Commissioners, Last time 2010 the board was not bipartisan, as all Judges who chose were Republican, and the board was 1/3 Independent who leaned right without 1/4 Progressives. As a result, my city council, state Assemblyman and US Representative are gerrymandered into a "competitive" district which is half Republican and half Democrat, which drags the Democrat right or cheats the Progressives of representation altogether (Donna Frye's district cut up). Please make districts Interest in Common with a majority of Democrats for our very Democratic district including Clairemont and Linda Vista (was also Serra Mesa and Kearny Mesa). Thank you.
