Dear Commissioners, Last time 2010 the board was not bipartisan, as all Judges who chose were Republican, and the board was 1/3 Independent who leaned right without 1/4 Progressives.
As a result, my city council, state Assemblyman and US Representative are gerrymandered into a "competitive" district which is half Republican and half Democrat, which drags the Democrat right or cheats the Progressives of representation altogether (Donna Frye's district cut up). Please remedy.
