My name is Stacey. I'm a Filipina-Chinese resident and I work/shop in District 3. I'm also a member of Asian Solidarity Collective.

I urge you to draw district lines that respect API San Diegans' communities of interest and empower our community. Many of San Diego's API residents and businesses are currently in district 3 and centered in the neighborhoods of Mira Mesa, Sorrento Valley, Kearny Mesa, the Convoy St commercial corridor, Miramar and Rancho Penasquitos.

While our community has great diversity, we share many challenges that underscore the importance of keeping our community of interest whole. Some struggles include: Rising home prices in this rapidly growing area, Struggles of small and family owned businesses to recover and rise out of COVID, Rising anti-Asian racism and discrimination, A long history of under representation in local government. Please honor the API community of interest and maximize our ability to have our voices heard in San Diego County Government.
