Hello County Redistricting Commission, My name is Mark and I live in Encinitas. I understand there is a move to redistrict our current county districts. Living in a coastal community, I see that many of the needs here are different then inland communities. I would like this commission to look at creating districts that run up and down the coast, North-South versus running West-East. I think it will make it easier to get things accomplished by doing this. Thank you for what you do and for considering this request. Mark
