

**2021 Supervisorial Districts**  
**Recommendations Regarding Technical Adjustments of Boundaries**  
**January 12, 2022, Item 4**

**Rule for Technical Adjustments**

1. Only involve whole 2020 census blocks. Adjustments cannot involve dividing a 2020 census block between supervisorial districts.
2. Any adjustment must only involve moving 2020 census blocks that have zero population.
3. Any adjustment must not change the intent of the plan as adopted.

**Technical Adjustment to Unite Sycuan Reservation Areas**

Recommend the IRC does make this adjustment.

- Recommend making this adjustment as it moves four 2020 census blocks that have zero population.
- Adjustment is to move blocks 060730154061001, 060730154061000, 060730213051003, and 060730154061014 from D4 to D2.
- Intent of the plan is to unite reservations as communities of interest and maintain the Kumeyaay Communities of Interest of Barona, Capitan, Grande, Viejas, Jamul, Sycuan, and Campo in a single district.

**Technical Adjustments to Unite Voter Precincts**

**Refer to ROV pdf titled 'Areas-for-Review\_IRC' for map numbers**
