# IRC Training Continuum & Implementation

March 25, 2021

Item 3

Motions Approved by the Independent Redistricting Commission on March 11, 2021

1. Commission approves the training continuum: **Mar 11.**
    a. Instruct staff to create redistricting timeline and training repository/database to warehouse training material (following IRC approval): **11 Mar.**
    b. Commissioners provides training categories, topics and content to the Staff to be included in the repository/database (requested from IRC): **14 Mar.**

2. Presentation of training continuum to full Commission for approval and implementation: **25 Mar.**
    a. Ad-hoc Committee stands down when the training Continuum is deemed operational

Training Continuum

- Training ideas submitted by Commissioners have been included in the Training Continuum

- Next steps:
  - IRC approves Training Continuum and implementation by staff
  - If approved, implementation by staff will include:
    - Add tab for "IRC Training" on website and post list of Training Continuum content (links to materials and videos with time stamps)
    - Ongoing administrative updates to Training Continuum and website to reorganize/refresh/add training content
    - Work with a member of the Ad Hoc Committee to define and submit an IT request for price quote and timeline for higher-level website enhancements (e.g., ability to sort)
