

Update: County of San Diego Independent Redistricting
Commission
Ad-hoc Training Committee

- **Tremendous work** by the Ad-Hoc Committee Members Commissioners **Inman, Brown,** and **Hansen...**and the superb support by Barbara Jimenez and the rest of the staff for bringing this vision and concept to life.
- The **Commission** and the **San Diego County Community** will benefit from this effort.

BLUF: On schedule to meet the Fully Operational / Go-Live Date of 22 April.

- All training materials uploaded, operational links functional and training video time stamps confirmed.
- Description of the training Site:
 - A brief welcome message
 - Mission statement
 - Note to the public regarding training costs desired by the public will be at their own personal expense.
 - Short instructional message on how to navigate the training site.
 - The use of hyper-links along with collapse / expand training topics.
 - I believe it is even more user friendly and obviates the need for the search / filter function as recommended by Commissioner Chen.
 - I recommend we void/delete this as a requirement to free up the staff to focus on the remaining actions and meet the 22 April Go-Live suspense date.
- Desired action:
 - Distinguishing Directed Training (delivered to all Commissioners) versus Self-study / Independent training.
 - Determining the need for the sort/filter function.
 - Providing a preliminary demonstration to the Ad-Hoc Committee before the 22 April presentation to the full commission which signals the “Go-Live-Date!
