As the IRC's Outreach activities gain momentum with the selection of the Outreach Services contractor, the League of Women Voters encourages the IRC to give special attention to language access as required by the Fair Maps Act. We call your attention to two new resources:

The California Secretary of State recently updated its city and county redistricting website to indicate the applicable languages for each city when carrying out their redistricting process. The site also contains templates explaining the redistricting process in 10 languages. Visit the website here: <https://www.sos.ca.gov/elections/helpful-resources/redistricting>

Best Practices for local redistricting focused on reaching AAPI and Limited-English Proficient (LEP) communities are outlined in this 5 page document by the Asian Americans Advancing Justice - California. <https://www.advancingjustice-alc.org/wp-content/uploads/2021/06/Best-Practices-for-Reaching-AAPI-LEP-Communities.pdf>

Thank you for the hard work you are doing to reach the widest possible audience for the IRC's redistricting efforts.
