Draft Map 11 – Supervisorial Districts Summary Statistics 11/1/2021

County of San Diego IRC Approved Mapping Motion 11/1/21

ON MOTION of Co-Vice Chair Garcia, seconded by Commissioner Russ, the Commission approved the following direction to FLO Analytics regarding Draft Map 7:

- District drawn with Escondido, San Marcos, Vista, Oceanside, to the northern border, to the eastern border, respecting what the North County tribal reservations described to us, in that district.
- Move Carlsbad south into the Coastal district, defer to FLO to make the rest of those districts work with regards to population size.
- The ultimate goal is to have in the East County two rural, unincorporated districts, a sort-of North County and a South County, rural districts like we heard mostly from East County, from South County citizens residents who spoke tonight.
- Incorporate the comments about AAPI and Barrio Logan neighborhoods.

Please note the district numbers in this map do not correspond to the numbers of existing supervisorial districts. District numbers from prior IRC draft maps have been adjusted to more closely align with population density of existing district boundaries to the extent possible.
