County of San Diego IRC Approved Mapping Motion 11/1/21

ON MOTION of Commissioner Kruglyak, seconded by Commissioner Chen, the Commission approved the following direction to FLO Analytics regarding Draft Map 7:

- Linking Oceanside, Vista, Carlsbad, San Marcos, all of Camp Pendleton, and all of Rancho Santa Fe.
- Escondido and areas north, and East County are a separate district.
- Coastal Districts expanded to include the regions that were highlighted by the Asian Pacific Islander Community in the discussion.
- District 1 expanded to include Barrio Logan and pushed south and potentially pushed a little bit north to allow for the size.
- And what is currently the PANA map focusing on keeping the BIPOC region at maybe the expense of Mission Hills, North Park, South Park, Kensington.

Please note the district numbers in this map do not correspond to the numbers of existing supervisorial districts. District numbers from prior IRC draft maps have been adjusted to more closely align with population density of existing district boundaries to the extent possible.
