Hi. My name is Danny Esho. I am a member of the Chaldean community and have lived in El Cajon area just about my whole life. I am 39 yrs old and went to school and church in el Cajon since way back in the late 80's. My families kids now are going to school here as well. We all vote together as a community so separating El Cajon from east county will really affect our community. Thanks for your time. I really hope you can relate to how this makes our community feel. It makes us feel like we aren't appreciated and are being brushed away from the community and town we love.
