Dear Commissioners,

My name is Humam and I'm an Iraqi Muslim constituent. I am writing to you in concern of District 4, the proposed BIPOC district. In the Final Working Draft Map, the Black community of interest is completely fractured into three separate districts by removing Paradise Hills, Spring Valley, and Rancho San Diego out of District 4. By swapping these areas for Clairemont Mesas, you are depriving the Black community of their voice and the decades-long need for Black representation in San Diego county. District 4 is not currently a BIPOC empowerment district. The Black community has intentionally and continuously been marginalized and divided.

By putting the Clairemont Mesas into District 4, you are diluting the AAPI voice. Please listen to your communities and to months of participation and keep Clairemont in the Coastal District 3.
