Dear Members of Independent Redistricting Commission,

I support the Map 13A for keeping District 5 a North County district that includes our unincorporated areas of Fallbrook, Rainbow, and Bonsall with the 76/78 corridor cities of Oceanside, Vista, San Marcos, and Escondido, along with the nearby tribal lands. Escondido was in District 5 until it was excluded and placed in District 3 in 2001 and 2011 redistricting. Like Vista and Fallbrook, Escondido's largest ethnic population is Latinx, in fact Latinx is the majority at 51.7%. Other cities and communities in the current District 3 are coastal and do not share the same ethnic profile with Escondido.

I'm glad Escondido would be united with other North County cities and communities in ONE district. As far as District 5 goes, I believe the criteria are met in the Map 13A.

Respectfully yours,

Katsuyo Fukuyama, Vista CA
