IV. MANAGEMENT TEAM REPORT

A. Fire Chief's Report

1. The May 2021 Fire Chief's Report was presented by Chief Mecham and covered a summary of organizational highlights and a review of bureau reports and response times.

V. OLD BUSINESS

A. Status of snowplowing agreement

- o No updates from the last meeting. The Fire and Dept. of General Services contract is scheduled to be in place for next snow season (October-March).

B. Implementation of 3-person staffing at all Engine Companies

- o The recommended budget includes funding for nine (9) additional positions to fully implement 3-person staffing at Mt. Laguna, Shelter Valley and Ranchita fire stations.

VI. NEW BUSINESS

A. Advisory Board Statements

1. Roadside Vegetation Management

- o Community Risk Reduction developed this item in response to direction received on March 16, 2021 (1) from the Board of Supervisors.
- o The County is increasing its focus on the role of these roadways in preventing worst-case scenarios such as entrapments, a potentially life-threatening situation in which wildfire overtakes a road.
- o The recommendations seek Board direction on implementing a roadside vegetation management program and call for a return to the Board in 90 days to approve changes to the Defensible Space for Fire Protection Ordinance.
- o The board letter is scheduled for the July 13, 2021 Board of Supervisors and SDCFPD Board of Directors meeting.

ON MOTION of Member Sossaman, seconded by Member Kellogg, the Advisory Board voted to support the support efforts to increase vegetation management along public roadways. The Fire Advisory Board's motion also included a recommendation to the Board of Supervisors that the County take steps to align the County Fire Code and Defensible Space for Fire Protection Ordinance by continuing to require 10 feet of roadside vegetation management, while allowing the Fire

2. SDCFPD Board of Directors Annual Election of Officers for 2021

- This administrative item relates to the formation of the SDCFPD, pursuant to the Fire Protection District Law of 1987, the Board of Directors is required to elect officers.
- The board letter is scheduled for the June 29, 2021 Board of Supervisors and SDCFPD Board of Directors meeting.

ON MOTION of Member Kellogg, seconded by Member Sossaman, the Advisory Board voted to support the recommendation to appoint Director Nathan Fletcher as the President and appoint Director Nora Vargas as the Vice President of the San Diego County Fire Protection District, consistent with the current selection of officers for the Board of Supervisors.

AYES: 5 NAYS: 0 ABSTENT: 2

B. Review and discuss draft of updated Bylaws for the Advisory Board

- Board Policy A-74 requires each advisory board to prepare bylaws that must be reviewed by County Counsel and approved by the Board of Supervisors.
- The proposed bylaws will increase total membership to nine members by adding one representative from District Three and one representative from District Four.
- The board letter is scheduled for the July 13, 2021 Board of Supervisors and SDCFPD Board of Directors meeting.

ON MOTION of Member Shanley, seconded by Member Kellogg, the Advisory Board voted to support the updated Bylaws, with the addition of language related to residency requirements and the removal of language related to term limits, as appointments will run concurrently with the appointing Director.

AYES: 5 NAYS: 0 ABSTENT: 2

C. Informational Items

1. Wildfire and safety concerns regarding campsites rented on private property (e.g., Hipcamp)
 - An update was provided by Member Kellogg. County code enforcement have conducted site visits and been in contact with the Mt. Palomar community group.
2. Discussion of agricultural pass program to assist with access to farmlands during a disaster
 - After the Lilac Fire in 2017, Supervisor Desmond (District 5) expressed interest in implementing a similar program in San Diego County. Further development of a program is on hold due to pending legislation and is being monitored by the Evacuation Working Group.
3. Discussion of a community based, mutual aid networks that help private landowners conduct prescribed burns.
