STAFF RECOGNITION

Engine Company 3374
Campo Fire Station #40

On Friday December 24th, 2021 at approximately 3pm, E3374 with Engineer Jason Robertson, Firefighter Gerardo Perez, and Firefighter Joshua Hoyt was traveling westbound on Interstate 8 towards El Cajon.

As they approached the West Willows bridge they noticed a man on the top edge of the bridge and multiple vehicles stopped. Realizing that something was wrong, E3374 exited the freeway and drove to the center of the bridge where they found a man standing at the edge, looking at the freeway below. All agreed that it appeared the man was readying to jump from the bridge.

Engineer Robertson directed Firefigher Perez and Firefighter Hoyt to manage traffic control and maintain safety. Engineer Robertson then approached the man and calmly talked with him until CHP arrived and assisted in helping the man from the bridge. The gentleman was transported for treatment.

Please join the Leadership Team in recognizing the extraordinary efforts of these three individuals.
