**Mt. Etna Community Plan Amendment and Rezone Project
Mitigated Residential Health Risk Assessment**

1. Assumptions
2. Risk by Phase Summary
3. Cancer Risk Summary
4. Non-Cancer Risk Summary
5. Risk by Construction Phase
 - a. Risk From Demolition - Mitigated Residential
 - b. Risk From Site Prep - Mitigated Residential
 - c. Risk From Grading - Mitigated Residential
 - d. Risk From Trenching - Mitigated Residential
 - e. Risk From Foundation - Mitigated Residential
 - f. Risk From BC - Mitigated Residential
 - g. Risk From Arch. Coating - Mitigated Residential
 - h. Risk From Paving - Mitigated Residential

Mitigated Residential Health Risk Assessment

1. Assumptions

**Mt. Etna Community Plan Amendment and Rezone Project
Mitigated Residential - Construction Health Risk Assumptions**
