As a recipient of U.S. Department of Housing and Urban Development (HUD) entitlement grant funding under the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME) and Emergency Solutions Grant (ESG) programs, the County of San Diego (County) develops a five-year Consolidated Plan. The primary purpose of the Consolidated Plan is to:

1. Identify priority housing and community development needs in the County's jurisdiction through market analysis, community input, and stakeholder consultation, and;
2. Strategically establish five-year goals that address priority community needs and potential federal, state, local, or private funding sources that could be leveraged with HUD entitlement funding.

The San Diego "Urban County" CDBG and ESG Programs fund housing, community development and public services and activities in the unincorporated area, as well as the six participating cities of Coronado, Del Mar, Imperial Beach, Lemon Grove, Poway, and Solana Beach. The San Diego County HOME Consortium Program provides funds for housing activities in the CDBG and ESG Program areas, as well as the six Consortium cities of Carlsbad, Encinitas, La Mesa, San Marcos, Santee, and Vista. The HOPWA program provides funding for housing and housing related services for persons living with HIV/AIDS and their families throughout the entire County of San Diego.

The 2025-29 Consolidated Plan Strategy proposes overarching 2025-29 Consolidated Plan goals. The Consolidated Plan goals set priorities that guide the use of HUD entitlement funding based on public feedback, stakeholder input, and community data indicators. The Strategy and proposed Consolidated Plan goals can be accessed electronically at www.sdhcd.com.
