The County of San Diego, Housing and Community Development Services, is now accepting grant applications for the Community Development Block Grant – Coronavirus (CDBG-CV) Program. The following are a list of eligible CDBG-CV program activities to meet the stated objectives: (1) public service activities, (2) housing-related activities, (3) public improvements and facilities, (4) activities to acquire real property, (5) economic development activities, and (6) general administrative and planning activities. A non-exhaustive list of examples can be found [here](#).
