

The County's Emergency Rent and Utilities Assistance Program (ERAP) application period has been extended. Applications will be accepted until funds are no longer available.

The County's ERAP 2021 serves all areas of the San Diego region except for the cities of San Diego and Chula Vista. Residents in those cities must directly apply to the City of San Diego or Chula Vista for emergency rent and utility assistance. Tenants and landlords throughout the region can visit [www.ERAPsandiego.org](http://www.ERAPsandiego.org) for information about all three programs and to apply.
