(Located at <https://www.sandiegocounty.gov/stimulusgrant/>)

ABOUT THE SMALL BUSINESS STIMULUS GRANT PROGRAM:

The Small Business Stimulus Grant Program is funded by Board of Supervisors allocated federal CARES Act funding. The goal of the Grant Program is to provide economic assistance to help businesses and nonprofit entities impacted by COVID-19 to get them open, keep them open, and help prevent more from going out of business. The Small Business Stimulus Grant funds will be equally distributed by Supervisorial District (\$3.4 million per district). Financial assistance will be allocated to eligible, qualified small businesses and nonprofit entities with final award recommendations made by individual district offices based on the availability of funds, program guidelines, and the submission of all required information and supporting documentation.

The funds may be used towards supporting public health and response activities associated with the COVID-19 pandemic. Eligible expenditures begin March 1, 2020 through the end of the agreement term, no later than December 30, 2020.

Of note, nonprofit organizations need to ensure they are registered as a charity in good standing with the California Attorney General AND that they can conduct business in the State of California as defined by the California Secretary of State. Specific details for these eligibility criteria are outlined and highlighted below in the Additional Eligibility Criteria sub-section.

Finally, the following are key points to remember when filling out a Small Business Stimulus application:

- **ELIGIBILITY:** private for-profit and non-profit businesses headquartered and operating in San Diego County that experienced financial hardship as a result of COVID-19 may apply; Businesses must have 100 or less employees and a minimum one-year operating history.
- **USE OF FUNDS:** Small business stimulus grant funds may NOT be spent on any item not part of the eligible activities in the application; Please fill out the application accordingly.
- **SUBMISSION:** Grant applications are submitted directly on the County of San Diego Small Business Stimulus Grant webpage <https://www.sandiegocounty.gov/stimulusgrant/>

If an organization has business locations in multiple Supervisorial Districts, an application will need to be submitted for each district.
