

**COUNTY OF SAN DIEGO
Clerk of the Board of Supervisors
Introduces**

Julia Kramer

Julia Kramer started volunteering with the Office of the Public Defender in the Multiple Conflicts Office as an Investigative Intern in January 2019. She assists attorneys and investigators with case organization and research, conducts criminal records checks, serves subpoenas, obtains school, medical and other confidential records, accompanies investigators on field interviews and attends court hearings. Her efforts have saved countless hours and have furthered the County's strategic goals of safe communities and operational excellence. Julia is a motivated and dependable volunteer who shows genuine interest in her work and actively participates in office discussions about cases. She works independently and efficiently and consistently goes above and beyond what is asked of her and is regularly entrusted with serious responsibilities such as visiting defendants in detention facilities to review discovery and accompanying investigators in the community for field work. Julia would like to pursue a career in investigations and is expected to receive her master's degree from San Diego State University in May 2020.
