

Low Income Health Program (LIHP) Transition to Medi-Cal - Eligibility

Some LIHP enrollees are not showing as eligible on the Medi-Cal Eligibility site. If a former LIHP enrollee is not showing as eligible, please follow the steps below:

1. Contact the Family Resource Center (FRC) where the patient enrolled in LIHP (FRC list available on the LIHP website) or the ACCESS Call Center at 866-262-9881 to verify current eligibility.
2. Enter the patient information in the form below and fax to AmeriChoice Medical Management Services, Attention: Cynthia Sommers UM RN, at 855-394-7927. Staff at AmeriChoice will coordinate with Eligibility to review Medi-Cal eligibility.
3. Continue to check the Medi-Cal eligibility site, as DHCS is updating the site regularly.

ASO staff will coordinate with County and health plan staff as appropriate and follow up with providers when eligibility issues are corrected.
