

PROCUREMENT FORECAST

June 2026

This forecast gives a heads-up on contracting opportunities the County of San Diego expects to post in the next six months. It's updated every three months and includes a wide range of goods and services. It's here to help businesses, nonprofits, and community partners plan ahead and get ready to participate.

If you see a contract number listed, you can look it up using the Contract Search Tool on the Purchasing and Contracting website to learn more about current services at sandiegocounty.gov/purchasing.

To see what's currently open for bidding, visit BuyNet at sdbuynet.sandiegocounty.gov.

Questions about this list, contact:
DPCOutreach@sdcounty.ca.gov.

California Assembly Bill 339 Noticing Requirements

The County is now required to provide 45 days notice to affected Recognized Employee Organizations (REOs) before the County may issue procurements for, or renewals/extensions of, certain services contracts.

If an item on this current or previous forecast doesn't appear on BuyNet right away, it may simply be that it is in the required AB 339 notice period.

Stay Ready: Steps you can take to prepare

- ☐ Review past and current contracts in the County's [Contracts Library](#).
- ☐ Learn about the requirements for the services or products your company offers and may want to provide to the County.
- ☐ Find the Contracting Officer Representative (COR) for a contract and reach out if you have questions.
- ☐ Register in BuyNet and complete your company profile to receive notifications for opportunities that match your services or products.
- ☐ Connect with [DPC Outreach](#) if you have additional questions.

COUNTY OF SAN DIEGO
